And whilst they all basked in foreign travel, **M. Night Shyamalan** began shooting his heavy-duty sequel to "Unbreakable." Title "Glass." Cast: **Samuel L. Jackson, Bruce Willis, James McAvoy, Sarah Paulson.** And filming where?

The home of cheesesteak: exotic downtown Philly.

ROCK HUDSON EROTIC FIRE

Rock Hudson tale spilling out

ON the heels of the 32nd anniversary of his death from AIDS-related complications comes "Rock Hudson Erotic Fire," a book heavy on the '50s and '60s pillow talk of Hollywood's then "Most Desirable Male on the Planet."

The truck driver who became movie star Hudson was No.1 at the global

box office for seven years. This read is his concealed not-for-public consumption and unpublished behind-the-scenes daily revelations. Names get plopped like Errol and Tyrone and Brando and Burton.

Staten Island's Blood Moon Productions pushes this out on Halloween.
